Boat Highlights

LEOPARD 43 OWNERS VERSION CATAMARAN BUILT BY ROBERTSON AND CAINE

The Leopard 43 is based on the Leopard 42', an award winning design. The 3 cabin lay out features an owner dedicated starboard hull with ensuite head and separate shower. Clear deck lay out, excellent bunk access, walk through transom and galley up design. The Leopard 43' is a great world cruiser.

This rarely available Leopard 43' in owners version is absolutely turnkey. She has been lovingly maintained and is completely equipped to go sailing anywhere in the world immediately. The owners have just traded up to a Leopard 46' due to an expanding family. She has just returned from a trip to South America and is more than ready to continue cruising the Caribbean.
